OCT 1961

Admiral Arleigh Burke

STAT

Dear Arleigh:

It is most thoughtful of you to write me, and I am grateful for your expert advice on the pleasures of doing nothing.

Your kind words are deeply appreciated and serve as a pleasant reminder of recent years when I was privileged to work with you on matters of mutual concern.

Clover joins me in sending warmest personal regards to you and Bobbie. We shall look forward to getting together with you.

Sincerely,

SIGNED

Allen W. Dulles  
Director
